DECISION No: 18

From:	The Stewards	**Date:**	1/06/2025
To:	All Teams	**Time:**	08:30 hrs
Series:	Monochrome GT4 Australia	**Event:**	Round 3 Queensland

The Stewards, having received a report from the Race Director and the Chief Timekeeper and having examined timing reports, have considered the following matter and determine the following:

Time (fact)**:** After Race 1

Session: Race 1

Fact: The timing system incorrectly recorded laps completed by cars 87 and 5 during Race 1.

Decision: The final classification for Race 1 Monochrome GT4 Australia is amended by deducting an incorrectly recorded lap credited to cars 87 and 5.

Reason: During the formation lap cars 87 and 5 entered pit lane to change tyres. When each of the cars exited pit lane the timing system incorrectly recorded each as having completed one lap of the race when they were actually crossing the control line at the end of their formation lap. The incorrect crediting of one lap of each car was deleted and an amended final classification issued.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
